

THE FASD SUPPORT NETWORK OF SASKATCHEWAN PRESENTS

"Building Success For Individuals With Fetal Alcohol Spectrum Disorder (FASD): How To Design Programs and Supports That Work"

La Ronge Training Workshops
La Ronge Motor Hotel
February 20 & 21, 2007

Featuring FASD Specialist

Dan Dubovsky

*Substance Abuse and Mental Health Services Administration (SAMHSA)
FASD Center for Excellence - Maryland USA*

Dan Dubovsky has over thirty years of experience and expertise as a mental health and addictions professional and is the father of a child with FASD. Mr. Dubovsky is a gifted and internationally recognized speaker. He has an extraordinary ability to apply extensive knowledge and experience regarding addictions, mental health and co-occurring conditions, analyze behavior, and suggest appropriate support strategies.

This two day workshop will consider the possibility of the presence of a Fetal Alcohol Spectrum Disorder and the lifelong implications, while examining practical strategies and supports for working with individuals and families affected by FASD. The information in the workshop will be especially pertinent to those working as a mentor or support person, family members, front line workers, government employees and professionals.

While we would encourage you to attend both days please let us know if you are only able to attend one day.

There is no cost to attend these workshops! Lunch will be provided!

Please indicate the workshop session you will be attending:
